

# GREAT DECISIONS LECTURE SERIES PRESENTS: ARTIFICIAL INTELLIGENCE THE GOOD, THE BAD, AND THE UGLY

How will we as individuals, communities, society and as a nation become stronger and better from AI through our communications, health care, governance and world relations? And conversely, how might AI, at the same time, harm us as individuals, families, society and as a nation?

**PRESENTED BY:**

**Dr. Daniel P. Lopresti**

Professor, Computer Science and Engineering, Lehigh University  
Chair, Computing Research Association's Computing Community Consortium (CCC)  
Past-President, International Association for Pattern Recognition

**DATE: WED., OCTOBER 18, 2023**
